"PSC on the Go" Mobile App
Consumers Connecting to the PSC

What is "PSC on the Go"?

"PSC on the Go" is a web application designed to make information more easily accessible to District consumers. Consumers can interact with the PSC on key and urgent business any time from any place, without being tethered to the desktop or laptop. "PSC on the Go" empowers residents and visitors to be proactive in obtaining information, reporting issues, and staying informed about PSC proceedings and public meetings.

"PSC on the Go" will provide smartphone and tablet users the ability to:

- Contact the PSC about an issue or concern
- Listen to audio recordings of hearings and public meetings
- Access documents and orders from formal cases
- Share documents through social media, text and email
